Products & Services

ITEM	IMPORT Y/N	MANUFACTURE Y/N	ASSEMBLE Y/N	Product Specification / Product Brand Names/ Other specific detail
Attachments, Adhesives, Sealants And Fixings				
Auxiliary Power				
Axle Counters				
Ballast Cleaners				
Ballest Regulators				
Ballest Suppliers				
Ballestless Track				
Base Plates				
Batteries				
Bogies, Suspension, Wheels And Axles, Running Gear				
Brake Equipment				
Brakes, Couplers And Draw Gear				
Cab Assembly				
Cab Components				
Cab Design				
Cab Equipment				
Cables				
Catenary				
Civil Works				
Civil Works Bridges				
Civil Works Tunnels				
Computer Hardware And Software, Control And Monitoring Systems				
Consultants				
Container Wagon				
Containers				
Controls, Electromechanical Equipment And Drives				
Crane Re-Railing				
Cranes				
Cranes, Platforms And Access Equipment				
Dampers				
Depot Workshop Equipment				

ITEM	IMPORT Y/N	MANUFACTURE Y/N	ASSEMBLY Y/N	Product Specification / Product Brand Names/ Other specific detail
Diagnostics				
Diesel Engines, Transmission And Fuel				
Diesel Locomotive				
Diesel Multiple Unit				
Door Systems, Lighting And External Components				
Education And Training				
Electric Braking				
Electric Locomotive				
Electric Multiple Unit				
Electrification, Traction And Power Supply				
Electronic Components				
Engine Components And Spares				
Engine Refurbishment And Maintenance				
Engineering				
Engines				
Fabrication				
Financial Surveys				
Fire Detection And Suppression				
Fire Safety, Detection And Suppression				
Forging				
Foundry - Casting				
Freight Wagon Specify Eg. Coal, Iron Ore,				
Friction Management And Lubricants				
Fuel				
Gangways				
Generators				
High Strength Steels				
High-Speed Train Set				
Hopper				
Hoses And Connectors				
HVAC, Cooling Systems And Compressors				
Hydraulic Transmission				
Industrial/Mining Locomotive				

ITEM	IMPORT Y/N	MANUFACTURE Y/N	ASSEMBLY Y/N	Product Specification / Product Brand Names/ Other specific detail
Infrastructure Engineering And Maintenance				
Inspector Cars				
Interlocking's				
Journey Planning				
Legal Services				
Level Crossing Safety Systems				
Level Crossings				
Light Rail				
Lighting				
Lights / LED				
Loading And Discharging Systems				
Locomotives				
Lubricants				
Material Handling Equipment				
Mechanical Equipment				
Metro And Light Rail Vehicles				
Noise, Shock And Vibration Control				
Onsite Welding				
Operation Control, Information Display Systems				
Organisation / Association				
Overhaul, Maintenance, Repair And Refurbishment				
Paints And Protective Coatings				
Panels And Displays				
Pantographs				
Passenger Coaches				
Points				
Points Control				
Power Lines				
Procurement				
Project Management And Consultancy				
Rail Flaw Detection				
Rail Measurement				
Rail Profiling				
Rail Supply				

ITEM	IMPORT Y/N	MANUFACTURE Y/N	ASSEMBLY Y/N	Product Specification / Product Brand Names/ Other specific detail
Rail Vehicle Design				
Rail, Rail Anchors, Fasteners And Sleepers				
Recorders				
Recruitment				
Research				
RFID And Tracking Technology				
Risk Assessment				
Risk Assessment And Derailment Analysis				
Rolling Stock And Infrastructure Testing And Certification				
Rolling Stock Hire / Lease				
Rubberized Components				
Safety Devices				
Security				
Shafts				
Shunting Locomotive				
Signalling And Communications				
Signalling And Telecommunication				
Signalling And Train Control				
Sleepers				
Spikes				
Static Power Conversion				
Station Design				
Station Equipment, Fare Collection And Ticketing				
Station Platforms				
Suspensions				
Tamping				
Tank Wagon				
Testing Equipment				
Ticket Systems				
Tilting Systems				
Tipplers				
Toilets				
Tooling				

ITEM	IMPORT Y/N	MANUFACTURE Y/N	ASSEMBLY Y/N	Product Specification / Product Brand Names/ Other specific detail
Track And Rail Maintenance And Safety Equipment				
Track Construction				
Track Engineering And Construction				
Track Laying Equipment				
Track Laying Service				
Track Maintenance				
Track Maintenance				
Track Materials And Equipment				
Track Technologies				
Track Welding Equipment				
Track Welding Material				
Track Welding Services				
Tracking And Position Monitoring Systems				
Traction And Control				
Train Control Systems				
Train Management				
Training And Recruitment				
Trams				
Transformers				
Transport Planning				
Tunnelling And Tunnel Maintenance				
Turnkey Solutions				
Turnouts / Switches, Setting And Monitoring Devices				
Underground / Mining Rolling Stock				
Vibration And Noise				
Wagon Build				
Wagon Components				
Wagon Engineering Design And Build				
Wagon Handling Equipment				
Wagon Maintenance				
Wagon Refurbishment				
Weighing And Controls Equipment				
Welding Equipment				

ITEM	IMPORT Y/N	MANUFACTURE Y/N	ASSEMBLY Y/N	Product Specification / Product Brand Names/ Other specific detail
Welding Material				
Welding Services				
Windows				
Wiring				
Workshop Equipment				
Yard Control				
Yard Equipment				
Other - items not listed above please specify
